

# GARBAGE, RECYCLING & YARD WASTE SCHEDULE A ROUTE

**Household garbage is collected every week.** Please place all items at the curb the night before your scheduled pickup.

**Recycling is collected every other week.** Check the attached calendar to view the blue A Route weeks when recycling is collected in your neighborhood. Some larger neighborhoods and roads have been divided into multiple days or weeks, including 12 Oaks, Earp Street, Holly Glen, Sunset Lake Road, and Sunset Ridge.

**Yard waste cart collection is every other week, on the same day as recycling,** unless an adjustment for a Town holiday is needed.

November through February, in addition to cart collection every other week, Town leaf vacuum trucks will still collect leaves left behind the curb, just as before. Leaves that don't fit in carts can be placed at the edge of your front yard for collection. Collection of leaves from curbsides during this season follows a zone schedule.

*Yard waste is picked up on the same day as garbage on weeks with the color that matches your route.*

On weeks with holidays marked with a red leaf (leaf), yard waste cart collection is not occurring on that day. The service for the rest of the week is adjusted. For most weeks, yard waste is delayed by one day. For example, garbage and recycling will not be picked up Nov. 11. Wednesday customers will receive service on Thursday, and collection will continue to be delayed by one day throughout the week with Friday customers served on Saturday, Nov. 14.

A white leaf indicates yard waste cart collection is occurring ahead of schedule for the upcoming holiday. For example, yard waste carts for Nov. 26-27 will be collected on Wednesday, Nov. 25.
