PRESENT:

HOW TO BE A

WATER QUALITY HERO!

**FABULOUS
FIRST
ISSUE!
#1**

by CHRISTIAN POIRIER

HEY AVERY, WE ALL NEED CLEAN, FRESH WATER **EVERY DAY!** THAT'S WHY **WATER QUALITY IS SUPER IMPORTANT!**

THAT'S RIGHT **DAN**, SO HERE ARE SOME SIMPLE RULES TO KEEP OUR WATER SAFE & CLEAN FOR **EVERYONE!**

A man in a blue jumpsuit with a white 'V' and a gold 'Q' on the belt (Dan) is talking to a woman with curly brown hair in a similar jumpsuit (Avery). They are standing on a yellow background.

ALWAYS PUT YARD WASTE AT THE EDGE OF YOUR YARD THE DAY BEFORE PICKUP, AND NEVER IN THE STREET, WHERE IT CAN CLOG STORM DRAINS!

NEVER USE MORE FERTILIZER OR PESTICIDE THAN YOU NEED.

Two panels. The first shows Dan in a blue jumpsuit pushing a green yard waste bag on a sidewalk. The second shows Dan holding two large green bags of yard waste. In the background, there's a blue house and some trees.

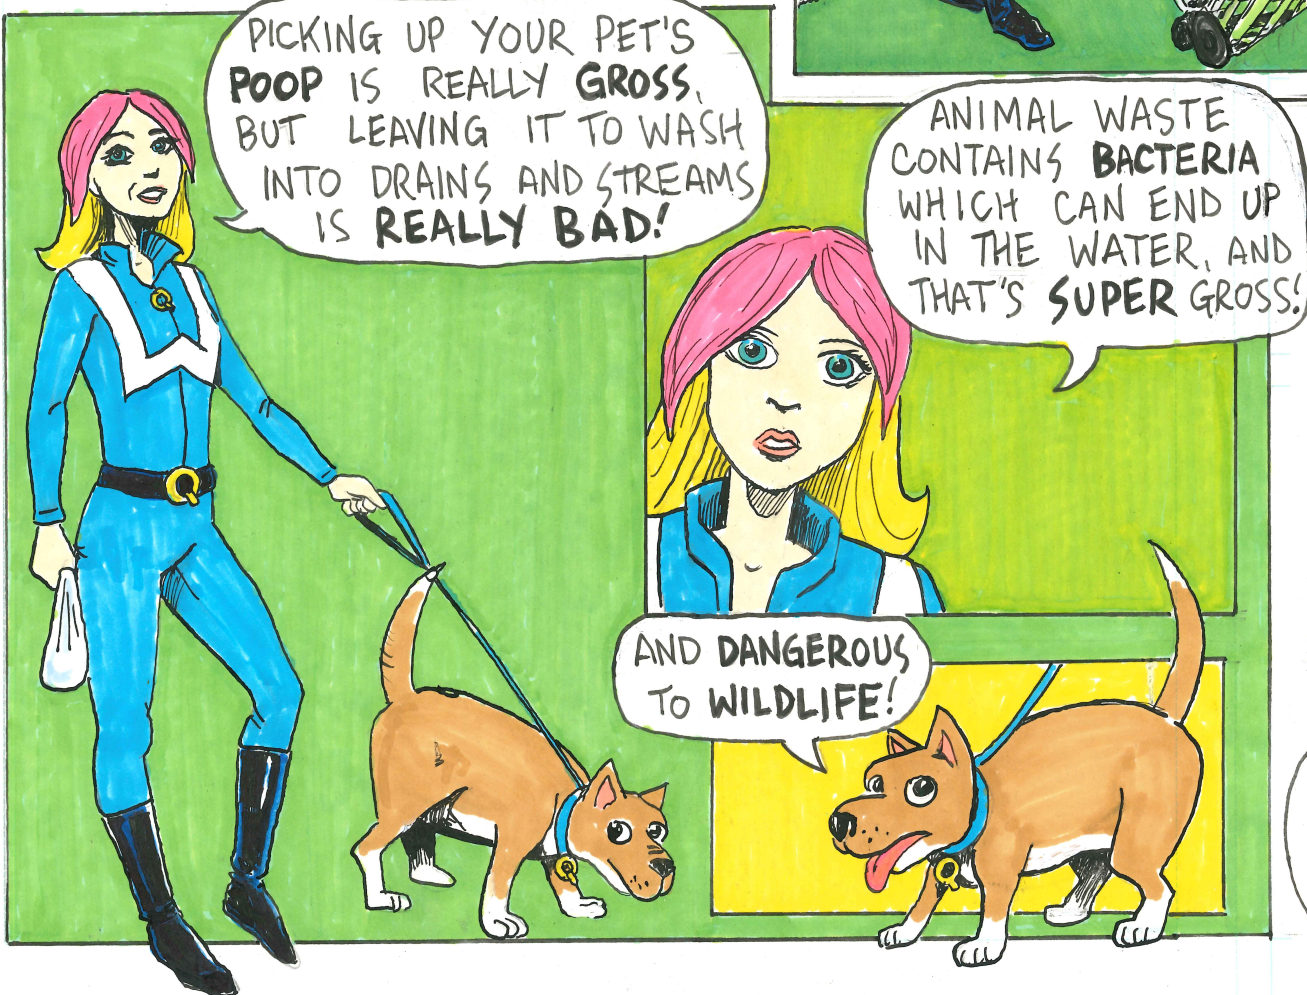

NEVER POUR PAINT OR TOXIC CHEMICALS DOWN A STORM DRAIN!

A yellow background with a large red circle and a diagonal slash through it. Inside the circle are a paint can labeled 'PAINT', a paintbrush, a bottle labeled 'TOXIC' with a skull and crossbones, and a bottle labeled 'MOTOR OIL'.

PICKING UP YOUR PET'S **POOP** IS REALLY **GROSS**, BUT LEAVING IT TO WASH INTO DRAINS AND STREAMS IS **REALLY BAD!**

ANIMAL WASTE CONTAINS **BACTERIA** WHICH CAN END UP IN THE WATER, AND THAT'S **SUPER GROSS!**

AND **DANGEROUS TO WILDLIFE!**

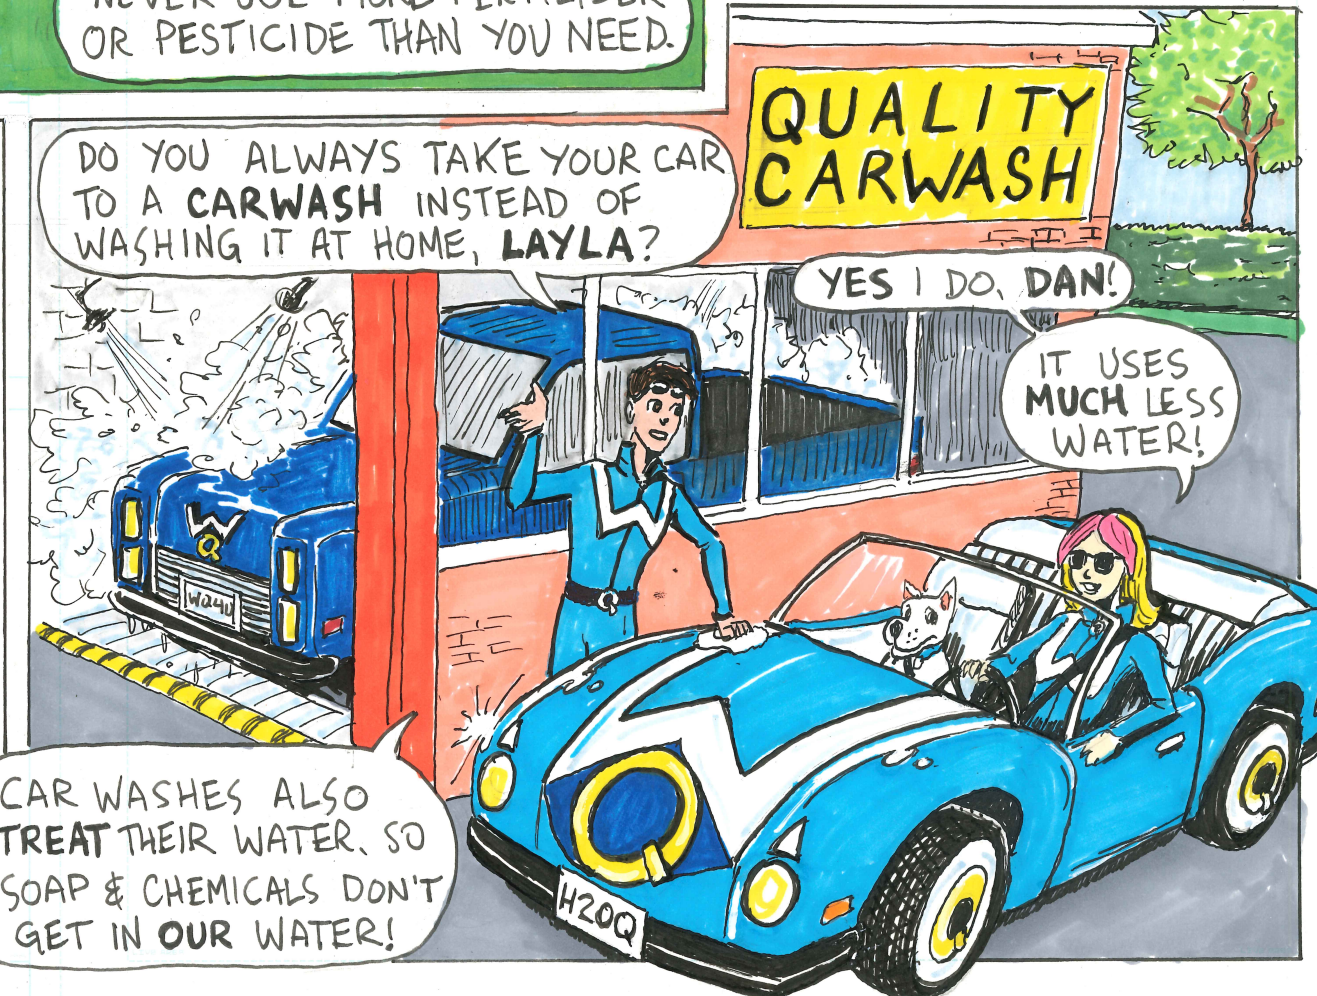

A woman with pink hair in a blue jumpsuit (Layla) is walking a brown dog on a leash. She is holding a white bag. The background is green and yellow.

DO YOU ALWAYS TAKE YOUR CAR TO A **CARWASH** INSTEAD OF WASHING IT AT HOME, **LAYLA**?

YES I DO, **DAN!**

IT USES **MUCH LESS WATER!**

CAR WASHES ALSO **TREAT** THEIR WATER, SO SOAP & CHEMICALS DON'T GET IN OUR WATER!

Two panels. The first shows a blue car being washed by a car wash machine. The second shows Dan in a blue jumpsuit talking to Layla, who is sitting in a blue convertible car. A small white dog is in the car with her. The background is a car wash building.

NEVER, EVER DUMP TRASH
OR CHEMICALS IN OR AROUND
STREAMS OR WETLANDS.

THAT CAN HURT THE
PLANTS AND ANIMALS
THAT LIVE THERE, AND
EVEN END UP IN THE
WATER WE DRINK.

DON'T DUCK YOUR
RESPONSIBILITY!

REMEMBER THAT
WATER QUALITY IS
EVERYONE'S JOB!

THAT'S RIGHT, SO
IF YOU SEE
SOMEONE DOING
ANYTHING TO HARM
OUR WATERS, CALL
**THE STORMWATER
HOTLINE**

AT 919-567-4011
