

PARADE ROUTE AND EXIT MAP

The parade begins at 10 a.m. at the intersection of Holly Springs Road and Main Street. The parade travels south along Main Street past the stage (1) and Town Hall (2). The parade travels past the new Town Hall Commons building (3) and ends at the Main and Rogers intersection.

Exiting the parade

Volunteers in red, orange or yellow safety vests will be at the parade exit directing you on which way to go.

Some entries will exit the parade by turning right on Rogers and right again on Avent Ferry Rd. Continue moving as far as possible down the road to allow other entries to exit the parade behind you. Good places to meet with families following the parade include the lawn of the Cultural Center (4) and sidewalks near parking lots on Avent Ferry.

Some entries will exit the parade by traveling straight on Main Street. Continue moving as far as possible toward Elm Ave. before stopping or unloading. Walkers should move to the sidewalk to make room for other entries exiting the parade behind you. Any vehicles that are part of your entry should rejoin non-parade traffic as soon as possible on Elm Ave. or Main St. beyond Elm Ave. Band buses and transport trailers may park on Main St. in the blue area once it closes to traffic at 9 a.m. before the parade. Police at the Grigsby/Rogers intersection will allow these drivers access once roads close for the parade at 9 a.m.
